 <p>978-1-478387299</p>	<p>MY ARAB SPRING MY CANADA: Despite occasional editing issues, the book is well-organized and full of interesting factoids about Canadian immigration, both in general terms and specifically with regard to the Arab Diaspora. An essential guide for Arab-Canadians, and a fascinating resource for anyone interested in the dynamics of immigration and assimilation. (KIRKUS REVIEW)</p> <p>This book should be on the shelves of all good bookshops/bookstores, as the Arab immigrant's handbook; its "never again" and "call for action" guiding his/her way to a participative citizenship in the new society. <i>Salim Elias</i></p> <p>Soft cover from author ghanems@rogers.com (free postage first 6 orders)</p>
 <p>978-0-9919412-0-9</p>	<p>FROM LEFT TO RIGHT – من اليمين الى اليسار: We have just read your latest publication. Both Marg and I found these poems very touching, sensitive, stirring and heartwarming. You are certainly maturing as a poet and perhaps your earlier efforts were hampered by there being something "lost in translation". However they do not seem like the poems of a man beyond middle age. Congratulations -Dr. Robert Nelson</p> <p>Unique book with English as well as Arabic poems (not translations of each other)</p> <p>Soft cover from author ghanems@rogers.com (free postage first 6 orders)</p>
